

One Thing Worship Retreat

An invitation from Kim Stanley:

Could we journey together for this one thing?

*To gaze upon the beauty of the Lord,
this "One Thing" will change us forever.*

Come away with Him

To Worship,

To Reawaken,

To Encounter Christ.

Kim Stanley is a worship leader, songwriter, and speaker who inspires women to pursue the heart of God. She calls women up to a higher place, awakening them to a lifestyle of worship. Kim's voice causes you to stop and turn your eyes away from the things of this earth towards heaven. Kim's story is one of God pursuing her to a place of intimacy and rest. She desires to see others set free to experience the grace and rest given to us through Jesus Christ. As the Lord has captured her heart over and over again, she is learning to trust Him more as her source and very life. Kim's desire and purpose is to be a true worshiper of Jesus and to help usher others into His Presence. Kim is also a trained Exchanged Life Coach and finds joy in teaching women their identity and freedom in Christ.
